SDG 4.3.1

Free access to online resource

Description and Supporting Information

Item 3. MOOCs online teaching resources

1. NUK produces MOOCs online teaching resources and provides them for the public. The courses, including series courses on Thai, Vietnamese, Indonesian and Japanese, are on three major Taiwan MOOCs platforms. After completing the course requirements, there are 5 courses in Thai language module, 8 courses in Vietnamese language module, and 1 course in semiconductor microfilming module, a total of 14 courses will be provided free of charge, and students of other courses can also pay for a certificate of attendance for the course; if the courses are formal credit MOOCs, they can apply for credit when they are enrolled in the school. 50 MOOCs were offered in 2022, with a total of 47,505 visits.
